Let us Know When.....

We are very aware circumstances may change over the summer holidays, here are a few examples of when you need to notify school of any new changes that may affect your child.

End of Day Arrangements

If you have decide to give your child a little more independence when we return in September, and you are allowing them to walk off the school grounds to meet you or even walk home alone, please notify the school office, they will then amend the end of day arrangement records.

There has been change of contact details:

If anyone has a new phone number, address or email details please ensure you inform the office as soon as possible so the contact system can be updated.

Changes in medical needs:

Have your child's medical details changed? Do they now require medication or have they stopped taking any regular medication? Are they now asthmatic and need an inhaler in school? All these things school need to be aware of.
