Dear Parents/Carers,

What another busy week in school. Visitors from another Trust School, Breadsall Hill Top Primary, visited on Monday to look at some Year 5 books and talk to our wonderful children about their enquiry learning. The visitors were very keen to give us great feedback about our children.

Kelly Lee, who is a Partnership Director from the Transform Trust, visited on Thursday and commented very positively about changes to the school learning environment and the site. She was really happy to hear that Reading is becoming very strong in school and loved hearing about the resilience and maturity shown by our Year 6 children during SATs week.

On Thursday, the children benefited from learning about caring for and being safe around dogs.

Thank you for all your ongoing support for your children and for our school.

Have a great holiday.

Best Regards

Ms G Smith

Next Term

As we are coming into the last term before the end of this academic year, it is going to get very busy in school.

Please can we ask that you keep a constant check on Class Dojo and the school newsletters as these will be ways of communicating changes, new processes for the new academic year and also activities that will be taking place during our last term.

There will be lots of information given out in the next few weeks.

Year 6 Residential

On the 5 June 2024 our Year 6 pupils will be heading off onto their residential at Walesby Forest.

Please could all Year 6 parents/carers take time over the holidays to read any information that has been sent home regarding the residential. An Essential Packing List has been sent home previously and re-posted on Class Dojo.

A polite reminder that all medicines should be in a named, sealed container with instructions as to how and when the medicine is to be taken and these should be handed to Mrs Sansom on the morning of 5 June 2024.
